

Softball Napanee Conflict of Interest Policy

Purpose

1. The purpose of this policy is to describe how members of SOFTBALL NAPANEE will conduct themselves in matters relating to real or perceived conflicts of interest, and to clarify how SOFTBALL NAPANEE will make decisions in situations where conflicts of interest may exist.

Definition of Conflict of Interest

2. A conflict of interest is a situation where an individual or the organization he or she represents or has an interest in, has a real potential or perceived, direct or indirect competing interest with SOFTBALL NAPANEE's activities. This competing interest may result in the individual, or entities in which they have an interest, being in a position to benefit from the situation or in SOFTBALL NAPANEE not being able to achieve a result which would be in the best interest of SOFTBALL NAPANEE.
3. Conflicts of interest include both pecuniary and non-pecuniary interests. A pecuniary interest is an interest that an individual may have in a matter because of the reasonable likelihood or expectation of financial gain or loss for that individual, or another person with whom that individual is associated. A non-pecuniary interest may include family relationships, friendships, volunteer positions in associations or other interests that do not involve the potential for financial gain or loss.

Application

4. This policy applies to directors, officers, committee members and other volunteers who are decision-makers within SOFTBALL NAPANEE (hereinafter referred to as "Representatives" of SOFTBALL NAPANEE).

Statutory Obligations

5. SOFTBALL NAPANEE is incorporated under the Ontario Corporations Act (Act) and is governed by the Act in matters involving a real or perceived conflict between the personal interests of a director (or other individual involved in decision-making or decision-influencing roles) and the broader interests of the corporation.
6. Under the Act any real or perceived conflict, whether pecuniary or non-pecuniary, between a director's interest and the interest of SOFTBALL NAPANEE must at all times be resolved in favour of SOFTBALL NAPANEE.

Additional Obligations

7. In addition to fulfilling all requirements of the Act, SOFTBALL NAPANEE and its representatives will also fulfill the additional requirements of this policy. Representatives of SOFTBALL NAPANEE will not:
 - a. Engage in any business or transaction, or have a financial or other personal interest that is incompatible with their official duties with SOFTBALL NAPANEE, unless such business, transaction or other interest is properly disclosed in accordance with this policy.
 - b. Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration, or who might seek, in any way, preferential treatment.
 - c. In the performance of their official duties, give preferential treatment to family members, friends or colleagues, or to organizations in which their family members, friends or colleagues have an interest, financial or otherwise.

- f. Use SOFTBALL NAPANEE property, equipment, supplies or services for activities not associated with the performance of official duties with SOFTBALL NAPANEE. Place themselves in positions where they could, by virtue of being a Representative of SOFTBALL NAPANEE, influence decision or contracts from which they could derive any direct or indirect benefit or interest.
- g. Place themselves in positions where they could, by virtue of being a Representative of SOFTBALL NAPANEE, influence decision or contracts from which they could derive any direct or indirect benefit or interest.
- h. Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being a Representative of SOFTBALL NAPANEE.

Disclosure of Conflict of Interest

8. On an annual basis, all directors, officers, committee members and other volunteers who are decision-makers will complete a written statement disclosing any real or perceived conflict that they might have.
9. At any time (when discussions are taking place or decisions are being made), that a Representative of SOFTBALL NAPANEE becomes aware that there may exist a real or perceived conflict of interest, they shall disclose this conflict to the Board of Directors immediately.
10. Any person who is of the view that a Representative of SOFTBALL NAPANEE may be in a position of conflict of interest may report this matter to the Board.

Resolving Conflicts in Decision-making

11. Decisions or transactions that involve a real or perceived conflict of interest that has been disclosed by a Representative of SOFTBALL NAPANEE may be considered and decided upon by SOFTBALL NAPANEE provided that:
 - a. The nature and extent of the Representative's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded in the minutes;
 - b. The Representative does not participate in discussion on the matter giving rise to the conflict of interest, unless the body considering the matter votes to allow such participation;
 - c. The Representative abstains from voting on the proposed decision or transaction;
 - d. The Representative is not included in the determination of quorum for the proposed decision or transaction;
